

PUBLIC NOTICE

The Lake County Board of Commissioners (LCBOC) intends to contract for architectural, engineering and surveying services in connection with capital infrastructure projects. The specific types of projects include, but are not limited to, building renovations/repair, parking lot renovation, new construction (all types), and facility evaluation/assessments. The consultant shall be familiar with all local, state and federal building regulations and have experience in construction best management practices, including LEED.

It is the intent of the LCBOC to solicit statements of qualifications from firms interested in providing such services. Statements of qualifications should include information regarding the firm's history; education and experience of owners and key technical personnel; the technical expertise of the firm's current staff; the firm's experience in designing similar projects; proximity to project site; availability of staff; the firm's equipment and facilities; references and any previous work performed for the LCBOC or other County departments.

Upon receipt of statements of qualifications, it is the intent of the LCBOC to prepare a list of prequalified firms to provide engineering and surveying services. Evaluation of firms for inclusion on the prequalified list and notification and evaluation of prequalified firms for specific projects will be as required by Ohio Revised Code Sections 153.67-71. LCBOC will enter into contract negotiations with the most highly qualified firm or firms for each project. While statements of qualifications will be accepted at any time, firms interested in work for 2014 should provide their statements by January 31, 2014.

Statements of qualifications should be sent to: Jason W. Boyd, Administrator, 105 Main Street, P O Box 490, Painesville, Ohio 44077-0490.
